The purpose of this worksheet is to verify your assets that were reported and/or not reported on questions 85-87 of your 2023-2024 Free Application for Federal Student Aid (FAFSA). Based upon review of your FAFSA and/or federal tax return transcripts submitted, additional information is needed to clarify the total value of your assets. You either left questions blank on the FAFSA, or your 2021 federal tax return transcripts lists asset-generated income (interest, dividends, capital gains, etc.) which does not appear to be reported correctly on the FAFSA. **Enter amounts as of the date the FAFSA was filed.
